OFFICE OF STATE ENGINEER

SALT LAKE CITY

GEO. M. BACON

STATE ENGINEER

June 18, 1929.

RE: MONTEZ CREEK DIST.

Request has been made to this office for a distribution district on Montez Creek. I am not clear as to how general this demand is but in any event I am proceeding with the consultation of water users as required by Chapter 100, Session Laws of 1925.

Please let me know if you have any recommendations as to who shall be appointed water commissioner, compensation he shall receive, and the duties performed. Such recommendations to receive consideration should reach the office on or before June 30, 1929.

Yours very truly,

State Engineer.
